\*7.32% Urea Nitrogen Stabilized with (N-(n-butyl) thiophosphoric triamide)  
\*\*0.48% Slowly Available Nitrogen from Biosolids

F1612

**DIRECTIONS FOR USE:** This Lawn Synergy product is a professional quality turf fertilizer. Its suitability for use in any given application depends on existing soil chemistry, turf type, and intended use of the turf area. The best results with this product are obtained when it is applied to actively growing grass, and watered into the turf soon after application. Avoid mowing immediately following application to prevent pick-up. Application with rotary or pendulum spreaders is recommended for uniform distribution. The use of a drop spreader is not recommended. Consult your spreader manual or spreader manufacturer to determine spreader settings to achieve application rates desired. You may need to adjust the setting depending on the walking speed, spreader condition, and product.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back onto your lawn. This product may stain driveways, walkways, streets, porches, and other non-target areas. Do not apply to frozen ground, to a frozen ground to a depth of 2", or snow covered.

**In the state FL/PA DO NOT exceed 0.9 LBS. of Nitrogen per 1,000 SQ FT.**  
**In PA: Nitrogen application is limited to 0.5 LBS. of total Nitrogen between December 15 and March 1**  
**In the state of MD, NH, NJ, and VA DO NOT exceed 0.7 LBS. of Nitrogen per 1,000 SQ FT.**

## WARRANTY

Turf Care Supply LLC warrants that this product conforms to the analysis on its label. When used in accordance with label directions, under normal conditions, this product is reasonably fit for its intended purposes. Since time, method of application, weather, plant and soil conditions, mixture with other chemicals, and other factors affecting the use of this product are beyond our control, no warranty is given concerning the use of this product contrary to label directions or under conditions which are abnormal or not reasonably foreseeable. The user assumes all risks of any such use.
