## 45% Slow-Release Nitrogen + Micronutrients

### Complete Fertilizer Guide for Active Growing Lawns

A professional-grade fertilizer designed to deliver strong green-up, lasting color, and steady feeding. The blend combines quick-release nitrogen, slow-release nitrogen, potassium, sulfur, and key micronutrients to support thick, healthy turf through active growth.

#### 1 GUARANTEED ANALYSIS

Total Nitrogen (N) .....	20.0%
17.0% Urea Nitrogen	
4.0% Ammoniacal Nitrogen	
Soluble Potash (K <sub>2</sub> O) .....	10.0%
Sulfur (S) .....	4.6%
Boron (B) .....	0.07%
Iron (Fe) .....	2.00%
Manganese (Mn) .....	0.18%
Zinc (Zn) .....	0.17%

9.0% slowly available nitrogen from polymer-coated sulfur-coated urea.

#### 2 APPLYING AT 4.5 LBS PER 1,000 SQ FT

**N**  
Delivers  
~0.90 lbs  
N / 1,000 sq ft

**K<sub>2</sub>O**  
Delivers  
~0.45 lbs  
K<sub>2</sub>O / 1,000 sq ft

**S**  
Delivers  
~0.21 lbs  
Sulfur /  
1,000 sq ft

Available in 18 lb, 25 lb, and 50 lb bag sizes.

#### 3 NITROGEN RELEASE PROFILE

##### 1 Quick Response

4.0% ammoniacal nitrogen helps deliver an early response.

##### 2 Fast / Medium Feeding

Quick-release urea supports continued green-up and top growth.

##### 3 Extended Feeding

9.0% slowly available nitrogen from polymer-coated sulfur-coated urea provides steady feeding over time.

Balanced feeding helps reduce excessive surge while maintaining color and performance.

#### 4 NUTRIENT BENEFITS

- N Nitrogen (20%)** – Promotes green-up, density, and vigorous growth.
- K<sub>2</sub>O Potassium (10%)** – Helps turf handle heat, wear, and drought stress.
- S Sulfur (4.6%)** – Supports nitrogen efficiency and protein production.
- Fe Iron (2.6%)** – Encourages deep green color and strong visual appeal.
- Micronutrients** – Boron, manganese, and zinc support overall turf vigor.

#### 5 BEST USE SCENARIOS

- Late spring feeding for cool-season lawns
- Summer feeding for Bermuda, Zoysia, and St. Augustine
- Recovery from traffic, mowing, or heat stress
- Improving turf color and density during active growth

#### 6 EXPECTED TURF RESPONSE

- Fast green-up
- Better density
- Stronger roots
- Improved stress tolerance
- Longer-lasting color
- More even growth with less flush

#### 7 PRODUCT NOTES

- Apply to dry turf and water in as needed.
- Sweep any product off driveways, sidewalks, and hardscapes.
- Do not apply if heavy rain is expected.
- Contains iron and may stain concrete if not removed promptly.
